

# Kontaktkampen 2018

Kontaktkampen is back! Do you have a hard time starting up a conversation with the exhibiting companies at Kontaktdagarna? If so, Kontaktkampen may be the thing for you! Kontaktkampen is a competition that runs during both fair days and is a way to get to know the companies better through missions and quizzes. The competition runs during both days and there are some wonderful prizes that will be handed out to the students that perform the most missions.

Besides from getting the chance to win prizes, Kontaktkampen is also a fun and easy way to talk to representatives from a lot of different companies during the fair. The companies are participating because they want to talk to YOU!
